Alma Mater

We salute thee, Alma Mater, we salute thee with a song,

At thy feet our loyal hearts their tribute lay;

We had waited for thy coming in the darkness, waited long,

Ere the morning star proclaimed thy natal day.

Thou hast come through tribulation and thy robe is clean and white,

Thou art fairer than the summer in its bloom.

Thou art born unto a kingdom and thy crown is all of light;

Thou shalt smile away the shadow and the gloom.

In thy path the fields shall blossom and the desert shall rejoice,

In the wilderness a living fountain spring;

For the blind shall see thy beauty and the deaf shall hear thy voice,

And the silent tongues their high hosannas sing.

Where the rhododendron blushes on the burly mountain's breast,

In the midland, where the wild deer love to roam;

Where the water lily slumbers, while the cypress guards its rest,

Lo, thy sunny land of promise and thy home.

Where the sons of Carolina taught a nation to be free,

And her daughters taught their brothers to be brave;

O'er a land of peaceful plenty, from the highlands to the sea,

May thy banner, Alma Mater, ever wave.

The Meredith College Student Planner

is designed to help you take full advantage of your time at Meredith. Your college experience from class lectures, assignments, labs and tests, to clubs, campus-wide organizations and traditions extends into every facet of your daily life. Meredith is committed to providing rich and varied opportunities for leadership, personal growth, friendship and fun through a challenging academic program and a lively campus environment.

Participation and personal responsibility are essential to the education of students at Meredith College. The College's honor system promotes an atmosphere of trust and integrity throughout the Meredith community. The honor system is, in fact, the foundation for our system of self-governance.

For detailed information regarding academics, the honor system, college policies, safety procedures, services and opportunities available to students, go to: www.meredith.edu/handbook.

Mission

In educating women to excel, Meredith College fosters in students integrity, independence, scholarship and personal growth. Grounded in the liberal arts, the College values freedom and openness in the pursuit of truth and, in keeping with its Christian heritage, seeks to nurture justice and compassion. Meredith endeavors to create a supportive and diverse community in which undergraduate and graduate students learn from the past, prepare for the future, and grow in their understanding of self, others and community. To these ends, Meredith strives to develop in students the knowledge, skills, values and global awareness necessary to pursue careers, to assume leadership roles, to continue their education, and to lead responsible lives of work, citizenship, leisure, learning and service.

Nondiscriminatory Policy

Meredith College admits women students of any age, race, creed, sexual orientation, national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the College. It does not discriminate on the basis of race, color, national origin, religion, sex, disability, veteran's status, sexual orientation or age (as defined by the Age Discrimination in Employment Act) in administration of its educational policies, admission policies, scholarship and loan programs and other school-administered programs. Furthermore, it does not discriminate in admission or access to its programs and activities on the basis of disability as defined by Section 504 of the Rehabilitation Act of 1973. The vice president for business and finance at Meredith coordinates the College's nondiscriminatory policy on the basis of disability.

Right to Amend

The College may amend, change, terminate and/or make exceptions to the policies as it may determine in its discretion at any time.

This Student Planner is produced on behalf of the Office of the Dean of Students and the Office of Student Leadership and Service, Division of College Programs, Meredith College, Raleigh, North Carolina.

Critical Thinking for Critical Times

For more than 100 years, Meredith has been educating women to excel. But in the modern world, our collective knowledge is accumulating faster than at any other time in history. In order to succeed while at Meredith and beyond, our students must be challenged to deepen their understanding of *how* to learn. They must be able to synthesize new knowledge and ways of knowing in order to adapt to a rapidly changing world.

The 2010-11 campus theme, **Critical Thinking for Critical Times**, invites the entire Meredith community to explore complex problems through discussion, reading and hands-on experiences; to reflect on our own thinking and biases; and to open our minds to other points of view. Class work, campus activities and even service-learning opportunities will relate to this theme as together we deepen our understanding and practice of what it means to think critically.

Weekly quotations related to the campus theme are included in the calendar to help inspire the campus community.

1. READING DAY is a day of preparation for examinations. No instructor may schedule an exam on this day, and no student may ask to take an exam on this day.

2. A student is considered to have an exam conflict if she is scheduled for two exams at the same time or three exams within a 24-hour period. In the case of two exams at the same time, the student and instructors should negotiate for a mutually convenient time to reschedule one of the exams.

In the case of three exams during a 24-hour period, she may choose to reschedule the third exam of the three at the mutual convenience of the instructor and student.

3. There are no exams on Sunday, Dec. 5 (Fall), and Sunday, May 1 (Spring). The last period for exams is at 6 p.m. on Thursday, Dec. 9 (Fall), and 6 p.m. on Friday, May 6 (Spring).

4. Final examinations for all courses that meet during evening hours must be given during the evening.

honor system

Founded on the premise that dishonesty has no place at Meredith, the Honor System demands personal integrity of each student. The Honor System is governed by the student body. Students are personally responsible for their own conduct and obligations to the Meredith community. Additional Information about Honor Code violations, sanctions, residence hall hearings and appeal processes may be found online at www.meredith.edu/handbook/honor.htm. For more information on the Honor System at Meredith, contact the Dean of Students Office.

Statement of Honor

We, the Meredith Community, are committed to developing and affirming in each student a sense of personal honor and responsibility. Uncompromising honesty and forthrightness are essential elements of this commitment. The Honor System is a method by which individual honors are protected and maintained. Any dishonorable action will be regarded as a violation of this commitment, and corrective action will be taken.

If I am in violation of the Honor Code, to prevent jeopardizing the Honor System or weakening our system of self-government, I have an obligation to report myself to the proper authorities. If I am aware of a violation of the Honor System by another student, I shall call this matter to the attention of that student as a violation of responsibility to the community.

In choosing Meredith College, I am accepting the Honor System as a way of life. As a Meredith student, I am responsible for insuring that the Honor System is at all times carried out.

Honor Pledge

I do solemnly pledge my honor that as long as I am a student at Meredith College, I will faithfully uphold the principles of the Honor Code and will respect and observe the procedures and requirements of the Honor System. I also pledge my support to our system of self-government, an integral part of our way of life at Meredith College. I make this pledge in view of my fellow students thus signifying our high resolve to keep our honor forever sacred and our self-government forever strong.

Enrollment is not complete until a student has signed the Honor Pledge.

Reporting a Violation of the Honor Code

Self-referral

If a student realizes that she has violated the Honor Code, she is encouraged and expected to report herself in a timely manner to the solicitor general.

Report by another student

If a student witnesses or suspects that an infraction has occurred, she has two paths she may follow. In a timely manner, she may confront the suspected student, or she may refer her suspicion directly to the solicitor general or residence life staff.

Report by a member of the faculty or the administrative staff

If a faculty or staff member suspects a student of an Honor Code violation and is able to ascertain the facts of the case, it is that faculty or staff member's responsibility to inform the student and request that she report herself within 24 hours to the solicitor general or the dean of students. Should the student not make the report, the faculty or staff member should do so.

Report by Campus Police

All Campus Police reports are submitted to the office of the Dean of Students and, when necessary, may be reviewed by the Solicitor General. If the Solicitor General determines that the Honor Code has been violated, she will contact the student.

Good Social Standing

A student is considered to be in good social standing with the College if she has no pending Honor Council case, if she completes by the deadline any educational sanction given by Honor Council, and if she is not serving a term of probation, suspension or delayed graduation.

Honor System Records

Honor Council, Review Board, and Residence Hall Hearings Committee and Apartment Hearings Committee records are maintained by advisors and chairs of each branch. Official records in the Office of the Dean of Students are kept ten years after completion of a penalty (Exception: records of expulsion are on permanent file.)

Jurisdiction of the College

Students are expected to maintain at all times a high standard of personal conduct in keeping with Meredith principles. The College reserves the right to suspend, expel or to exclude at any time any student whose academic standing or conduct is regarded by Meredith as undesirable or unacceptable.

academic information

Meredith's curriculum begins with an innovative general education program that gives every student a firm foundation in interdisciplinary study, world citizenship and scholarly research. To build upon that base, Meredith students may choose from 32 majors. For more details, contact the Office of the Vice President for Academic Programs, consult your advisor, read the undergraduate or graduate catalog or visit www.meredith.edu/academic.htm.

Academic Probation/Suspension

To continue enrollment at Meredith, students are expected to maintain satisfactory progress toward graduation. Satisfactory progress means maintaining at least the minimal expected quality point ratio or grade point average (QPR or GPA). A student is considered to be making minimal progress if she has earned at the end of any semester the appropriate quality point ratio indicated below:

<i>Total Hours Attempted</i>	<i>Minimum Expected Meredith QPR</i>
1-16	1.500
17-25	1.700
26-59	1.800
60-89	1.900
90 and above	2.000

If a student fails to achieve minimum progress, she will be placed on academic probation for the following semester. A student on academic probation who does not meet the minimum QPR (GPA) at the conclusion of the spring semester will be suspended for the following fall semester (See College catalogue for further information).

Class Attendance

Each student is expected to be regular and prompt in her attendance at all classes, conferences and other academic appointments. Regular attendance is vital for the student, the professor and her classmates to benefit from sharing and thinking in the classroom. Each student must accept full responsibility for class preparation, announcements and assignments missed because of absence.

The student is responsible for contacting her professors regarding any absence. The faculty will be notified by the Office of the Dean of Students in the event of a death in the student's immediate family (parents, spouse, siblings, children) or the hospitalization of a student.

The effect of class attendance on the grade will be clearly specified in writing by each instructor at the beginning of the course.

Classification

Students are classified according to the following number of credit hours:

<i>Freshman</i>	<i>1-25 hours credit</i>
<i>Sophomore</i>	<i>26-59 hours credit</i>
<i>Junior</i>	<i>60-89 hours credit</i>
<i>Senior</i>	<i>90-above hours credit</i>

Exams

If a student's semester exam schedule includes more than two exams within a 24-hour period, she may request to reschedule the third exam. For more information, see page 5.

Grade Point Average

Each student has her grade averaged in two ways: a Meredith average and an overall average. Each semester hour with a grade of A carries four quality points; B, three; C, two; D, one; F, none. The grade point average or quality point average is calculated by dividing the number of quality points earned by the number of semester hours attempted, whether passed or not. A course that is repeated does not count toward additional hours attempted in calculating the quality point ratio. (Also, see Academic Probation/ Suspension)

Grading System

Each course receives one official semester grade, an evaluation of the entire work of the student during the semester. Grades are made available to the student through WebAdvisor. For further information on the grading system see "Grading System" in the College catalogue.

Leave of Absence

A currently enrolled student may request from the Office of the Registrar a leave of absence for up to one year without having to apply for readmission as long as she is in good academic, social and financial standing at Meredith. See the College catalogue.

Except in an emergency situation, the leave of absence must be requested in writing prior to departure from the College and no later than the last day of classes if a student does not plan to complete the semester. If a student should decide to take college work elsewhere while on leave, she must apply for visitation credit through the Office of the Registrar at Meredith. A student on leave of absence who does not re-enroll within the allotted leave time will be officially withdrawn from the College. After any withdrawal or noncompliance with the leave policy, a student must follow the readmission procedure described on the Office of Admissions web site.

A student is in good academic standing if she will not be on academic probation at the end of the term in which she applies for the leave of absence. She is in good social standing if she is not on social probation and if there is no Honor Council case pending that would involve probation, suspension, delay of graduation or expulsion. To be in good financial standing, a student must have paid all tuition, fees and other charges in the accounting office, and return her laptop.

Plagiarism

Plagiarism is the dishonest use as one's own of another's words, thoughts, ideas or organization. Honest work in no way precludes using another's work; it simply requires that in all instances such use be properly acknowledged.

Plagiarism results when a student copies from another student's paper or from books and other print or on-line sources and fails to acknowledge such borrowing.

Whether source materials are quoted directly or are paraphrased, all such borrowing must be acknowledged clearly in the final paper or oral report through the use of footnotes or source tags.

If a student discovers that she has made a mistake in acknowledging sources in a paper already submitted, she should make this error known to her instructor.

A plea of ignorance will not be accepted as an excuse by the Honor Council.

As the educational purpose of papers differs from classroom to classroom, it is the joint responsibility of the instructor and the student to clarify what constitutes plagiarism in keeping with the purposes outlined for a particular paper. Each instructor should state specifically the extent and limits of available sources a student may employ in writing her paper. A student who is uncertain about an assignment and sources to be used should consult with her instructor for clarification before completion of the paper.

(Please note that the use of one's own old high school or collegiate papers is discouraged, but if used, must be acknowledged as a source.)

Progress Report

Midway into each semester, instructors provide the Office of the Registrar with progress reports for those students whose performance in class indicates work below a "C" average. Not a permanent grade, this report is an indication of the student's progress thus far in the current semester. The student and her faculty advisor are notified of the grade in October for the fall semester and in March for the spring semester. Midterm progress reports are available on WebAdvisor. A student's faculty advisor will also be notified of any progress reports available for his or her advisees.

Records, Access to

FERPA, the Family Educational Rights and Privacy Act of 1974, is a federal law requiring Meredith College to protect the confidentiality of student educational records. Meredith College has adopted the policies outlined below to comply with the law, inform students of their privacy rights, and to maintain the protection of student educational records.

Meredith College will comply with FERPA to protect student educational records from unauthorized access. Detailed information regarding FERPA and student records is at www.meredith.edu/handbook/academic.htm or in the Office of the Registrar, 1st Johnson Hall.

Transcripts

Students may receive official copies of their college transcripts from the Office of the Registrar. The student's signature is required before a transcript can be released. A form to request an official copy of the student's transcript is available at www.meredith.edu/registrar. Requests cannot be accepted by phone. All services in the Office of the Registrar are contingent upon satisfactory College accounts and other College obligations.

Withdrawals

If a student wishes to withdraw from the College and terminate her enrollment, it is her responsibility to have a conference with a staff member in the Office of the Dean of Students. If receiving financial assistance, she must also meet with the director of financial assistance. If she is enrolled in the laptop program, she must return her laptop to Technology Services in the Noel House. Any student withdrawing must complete the withdrawal form and leave her official college records and obligations in good standing. Students over the age of 23 withdrawing will meet with an advisor in the 23+ Program instead of meeting with the dean of students. Students enrolled in the teacher licensure program withdraw through the School of Education. See the College catalogue.

A student withdrawing from the College after the last day of classes in a semester will receive grades for that semester. A student withdrawing from the College who has a pending Honor Council case is expected to complete the necessary procedures with the Honor Council before leaving the College.

Upon completion of withdrawal, a resident student will be expected to complete proper check out, vacate her room, and return her room key to her residence director within forty-eight hours. **NOTE:** If there is any room deposit refund due the student, it will be mailed later from the business office.

When a student decides to return to Meredith after withdrawing, she applies for readmission through the admissions office.

NOTE: See Leave of Absence, page 115, for temporary withdrawal.

student opportunities

There are more than 90 organizations and clubs on Meredith's campus offering a variety of opportunities for participation and leadership, and addressing most students' interests, e.g., academics, politics, honors, service, religion and professions. In order to be a member of a Meredith College student organization and to hold office, a student must currently be enrolled in at least one credit hour at Meredith College. Constitutions of all organizations are maintained in the Office of Student Activities and Leadership Development. Full privileges of an official Meredith student organization include an organizational account, access to reserving space on campus, an email account, a roster list, participation in the activities fairs, and access to all services related to publicity on campus. Students who are interested in starting a new organization at Meredith should speak to the SGA Senate chair or visit the Office of Student Activities and Leadership Development to obtain a copy of the Guidelines and Procedures for Establishing New Organizations at Meredith.

Student Government Association

As early as 1905, Meredith took an important step forward when it introduced student government, apparently the first college in the state to do so, and one of the first in the South (Mary Lynch Johnson, *A History of Meredith College*). Since that time Meredith students have held an integral role in the shaping of the policies, philosophy and tradition of the College.

Executive, legislative and judicial branches comprise the basic structure of the current Student Government Association, with numerous boards and committees completing the structure.

The purpose of the association shall be to promote, in cooperation with the administration, the general welfare of the student body; to promote by example and precept scholarship, citizenship and integrity; to act as a liaison among students, alumnae, faculty, staff, administrators and trustees; to serve as the official advocate of the students; to receive and investigate student grievances; and to encourage students to become active participants in self-governance. See the Constitution of the Student Government Association and By-Laws at www.meredith.edu/handbook/constitution.htm for detailed information.

All Meredith undergraduate students are members of the Student Government Association and are encouraged to become involved in all its functions. Student involvement is crucial to the effective governance of the campus and vital to the educational process

of each student. Each student has a voice in this government through participation in the election of officers, interaction with her class representatives on each branch of the government, self-involvement in the various branches, and an open-communication policy with student government officers. Opportunities for student leadership and involvement are open to all students through campus elections and membership on numerous boards and committees. The elections schedule and detailed information about positions and elections can be seen at www.meredith.edu/handbook/constitution.htm

traditions and annual events

Alice in Wonderland

Once in every college generation since 1924, the faculty performs Lewis Carroll's *Alice in Wonderland* for the students. Students are hard-pressed to identify their elaborately costumed instructors who act out this literary fantasy. The next performance is scheduled for early 2012.

Awards Presentations

Each year as the spring semester comes to a close, Meredith celebrates the achievements of its outstanding women at an annual Academic and Leadership Awards program. College-wide academic and leadership awards are presented to outstanding students.

In addition, many departments and schools host awards ceremonies scheduled during the second semester. A number of those events, as well as the Undergraduate Research Conference, are held on a day of "Celebrating Student Achievement," a tradition begun in 2003 through the cooperation of the Divisions of Academic and College Programs.

Bathtub Ring

Three members of the Class of 1970—Betty King, Ayn Sullivan, and Peggy Timmerman—founded The Bathtub Ring singing group in the spring of 1968 and first performed for Phi Luau during Rush Week. Their blend of rebellion against and honoring of Meredith traditions has made The Bathtub Ring a perennial favorite at Cornhuskin' and other campus events. Membership is by audition, and selections are made by The Bathtub Ring from Phis who are members of even-year classes.

Big Sister-Little Sister Classes

The Big Sister-Little Sister program forms lasting relationships that help underclass students adjust to College life. Freshmen may choose to be assigned a junior to be her "big sister" until the upperclass student graduates. Throughout the year, sister classes participate in events such as ice cream socials, skating parties, pizza parties and class serenades. The culmination of the two classes' years together is Class Day on which the members of the sophomore class honor their big sisters. (See also Odd and Even Classes and Class Day Activities).

Bonfire

After the senior picnic at a grudge bonfire, each senior burns any article representing what she has most disliked at Meredith. Her memories of Meredith are, as a result, only meant to be pleasant ones.

Class Colors

The colors of all odd classes are blue and white until their junior year when they adopt rainbow colors. Leap year classes' colors are purple and gold. Even classes use green and white.

Class Day Activities

Sophomores honor their senior big sisters, and the seniors highlight their College years during the Saturday of Commencement Week.

The little sisters spend the morning constructing two 75–100 foot daisy chains to be used for the afternoon's Class Day exercises in the amphitheater. The white-clad sophomores hold two daisy chains and sing as their sister class marches through the chains. Class historians recall and depict key events of the graduating class' four years at Meredith. The sophomore and alumnae sister classes sing traditional songs to the seniors.

At the conclusion of Class Day, the chains form the class numerals of the graduating class. The seniors then go onto the island, form a circle and celebrate with their classmates.

Class Events and Activities

Each class participates in a variety of annual events. Senior events include a celebration night of the days remaining until graduation based on the class's graduation year, a senior picnic and baccalaureate. Seniors also have the privilege of painting the tunnel below Wade Avenue each year. In the fall, the junior class sponsors a Ring Dinner. At the dinner, juniors celebrate the wearing of their class rings. The sophomores sponsor a Guardian Angel Dance in the fall and Tea for Two in the spring as well as a Charming Evening. Freshmen participate in the Fire and Water Dinner in April.

Class Ring

The Meredith Class Ring was designed by Ann Lovell, '54, in 1953. The ring is an oval onyx ring surrounded by silver or gold with the Meredith seal engraved on the onyx and oak leaves impressed on the band. As an undergraduate, a student wears the ring on her finger with the seal pointing toward her. At graduation she turns the ring around so that the seal "faces the world." Degree-seeking undergraduate students who have completed 60 hours of coursework (typically the first semester of the junior year) are eligible to purchase the ring. Sales are coordinated by the Meredith Supply Store.

College Colors

The Meredith College official colors are maroon and white.

College Flower

The Meredith College official flower is the iris. Loleta Kenan Powell, '41, developed the "Meredith Hues" iris planted around the fountain, near the Cate Center, near the Alumnae House and at other locations around campus.

Cornhuskin'

In the fall, each class presents for competition a skit word parade, a tall tale, songs and a hog-calling skit, all of which are related thematically. The four classes are judged on these performances as well as on apple-bobbing, cornhuskin', can art, class attendance and sweatshirt design. WINGS students and faculty also participate in the night of fun. The Meredith Pride Spirit stick is given by MRA to the most spirited class. All of these activities comprise the official Cornhuskin' festivities. Additional activities scheduled throughout the week include Big Sis/Lil' Sis Bonfire, Scavenger Hunt, the President's Raid, hall raids and Cornhuskin' parade. Cornhuskin' is sponsored by the Meredith Recreation Association and usually occurs during the first week in November. Cornhuskin' rules are available in the Office of Student Leadership and Service.

The Crook

Each spring the seniors hide a wooden crook from the juniors. The juniors, aided by enigmatic clues, spend a week searching the campus for this stick and very rarely find it.

If the crook is found, it is brought into Class Day with a black ribbon. If it is not found, the crook is brought into Class Day with a ribbon of the Senior class colors. Crook Hunt rules are available in the Office of Student Leadership and Service.

The event was begun in 1906 when the crook was presented by an instructor to the seniors. This elaborate hide-and-seek has been staged annually since it was revived in 1929.

Founders' Day

Each year, a day is set aside for Meredith to honor its founding on February 27, 1891. Founders' Day is marked by a convocation address and remembrance of Thomas Meredith, Baptist leader and advocate for women's education. The College's name was changed in 1911 from Baptist University for Women (Baptist Female University, 1891–1905) to honor his work in founding the College.

Meredith Mascot

During the fall semester of 2007, the College launched the Avenging Angels as the official Meredith athletic mascot.

Odd and Even Classes

The four classes are divided into odd-numbered and even-numbered years. "Them Bones" is the song of the odd-numbered year and "Hail to the Even Spirit" is the song of the even-numbered year. On Class Day, members of the odd classes wear black gloves on their left hands and give their little sisters wish bone charms to wish them luck. The even classes give their little sisters bags of sticks and stones "to protect them from the Odd Spirit's bone."

The Oddballs

The Oddballs is a spirit group of four very enthusiastic students in an odd class. To be an Oddball, a student must be a member of an odd class and audition at the end of her sophomore year. Upon being selected as an Oddball member, a student will be inducted into Oddball status at the following Class Day, held the day before graduation. The Oddballs entertain, if asked to do so, by doing cheers and other amusing stunts at Cornhuskin' and other special events.

Spring Fling

The Meredith Entertainment Association sponsors Spring Fling each spring. Spring Fling is traditionally held outdoors and includes a band, amusements and food.

Spring Formal Dance

The freshman, sophomore and junior classes sponsor a formal dance in the spring in honor of the senior class. Seniors attend the dance free of charge. All students are welcome.

Stunt

The Meredith Recreation Association (MRA) has sponsored this event of class rivalry since 1915, its form changing from original plays to a variety of recreational competitions. Stunt promotes class unity through class competition, creativity and fun. Points are awarded for each event and are used in determining the overall winner of Stunt. Recent events in Stunt have included bat spin, tug of war, lip sync, balloon toss, limbo, egg toss, sponge toss and a three-legged race. The event usually occurs in mid-April. Rules for Stunt are available in the Office of Student Leadership and Service.

White Iris Ball

The Meredith Entertainment Association sponsors the White Iris Ball, a semi-formal dance held off campus each fall for all students.

security, safety and emergency procedures

Security—Shared Responsibility

Although the College takes seriously the need to provide a campus that is as safe as possible, each student must assume responsibility for her own personal safety. No environment can be assumed to be totally safe, so each person must be constantly alert to her own safety and that of her peers.

The best defense is a good offense. To increase personal safety and security, students are advised to take the following precautions:

- Be aware of your surroundings. Avoid dark areas and non-populated areas. Be vigilant. Look for and report suspicious activity to Campus Police immediately.
- Avoid walking alone to and from the outer parking lots after dark. Call for a Campus Police escort when appropriate.
- Travel with a companion whenever possible.
- Resident students should keep their doors locked while not in their rooms.
- Lock doors to cars, residence hall rooms, etc. Close and lock ground level windows. Do not leave the outer doors to residence halls or apartments propped open.
- If you decide to go out alone with a casual acquaintance, make sure to know that person's identity. You should also tell a friend where you are going, who will be accompanying you and when you expect to return.
- Avoid parties where drugs or excessive use of alcohol is obvious.
- Set limits and communicate them clearly. Understand your right to say "No!" at any time and have that decision respected and obeyed.

Campus Closing Hours

Campus closing hours are 1 a.m. Sunday through Thursday, and 2 a.m. Friday and Saturday. As an additional security measure, Meredith is closed to the public at 11 p.m. daily. At this time all cars, except those belonging to apartment residents, entering the campus must stop at the gatehouse. Only those cars with justifiable reasons may continue onto campus.

For residence hall students and students entering campus after 11 p.m. each night:

- Meredith students present Meredith ID or driver's license to security at the gate house. Students are encouraged never to leave campus without their Meredith ID. Any student returning to campus after hours without her Meredith ID will be fined \$5.
- Persons other than Meredith students must present their drivers' license, which will be retained by campus police until they leave campus. No one will be allowed to enter campus without proper identification.
- Cars proceed to appropriate designated campus location.
- If the driver of the car is a Meredith student, she proceeds to her designated parking lot.
- If the driver is not a Meredith student and is dropping off a Meredith student, s/he proceeds to the residence hall of the Meredith student(s); drops off passenger(s); returns immediately to gatehouse to reclaim ID; exits campus.
- Meredith student(s) proceed(s) to the entry door of the residence hall.
- The Faircloth gate will be locked nightly at 11 p.m. and opened at 6:45 a.m. During holidays and other specified times, the Faircloth Gate may be locked earlier in the day or remain locked all day.

Campus Emergency Procedures

- Call Campus Police by dialing 8888 on a campus phone or (919) 760-8888 on a private phone. Contact Campus Police by "direct line" by using one of the "Blue Light Call Boxes" in or near selected parking areas.
- Residents also should call their residence director or the residence director on duty. The RD on duty can be reached at (919) 612-6350. Call Campus Police at 8888 if there is no answer.
- Campus police and security officers are trained in first responder care. Medical emergencies should be reported to Campus Police (8888) immediately.
- If at any time you believe it is necessary to call for the Emergency Medical Service, call the Campus Police (8888), so they can direct EMS to the site of the emergency. The person receiving the services of EMS will be responsible for all fees.

All campus classroom buildings will normally be opened at 7 a.m. and locked at 11 p.m., during school periods. At 11 p.m., a Meredith student who is in a classroom building may remain there if she has her Meredith ID in her possession, reports her specific location to Campus Police (8888), and is accompanied by another Meredith student who is within sight of her at all times. (All students are encouraged to work with a partner anytime they are in a classroom building after dark.)

It is the student's responsibility to ensure that any door she exits locks behind her.

This schedule applies only during the regular academic calendar (holidays excluded) and does not include the swimming pool or the library. Check at those locations for current hours.

- Johnson Hall is open at 7 a.m. and locked most evenings at 6 p.m.
- The Faircloth Gate is opened at 6:45 a.m. and locked each evening at 11 p.m. During holidays and other specified times, the Faircloth Gate may be locked earlier in the day.
- Residence halls are locked 24 hours daily. Access is by Meredith CamCard at specified doors. Check the College calendar for special lockup times related to holidays.

Students may only enter and exit residence halls via doors with CamCard readers.

Card Access to Residence Halls

In an effort to provide as secure a living environment as possible, all residence halls are locked 24 hours daily. Students access the building through specially-equipped doors using their CamCards. Students must exercise utmost care to protect their CamCards and immediately report any lost or stolen card to the CamCard office. Students pulling on doors in order to gain entry and breaking the lock will be subject to judicial action. Check the College calendar for special lockup times related to holidays.

Important—Please Note: Any student returning to campus after hours without her Meredith ID will be fined \$10. She will have 72 hours in which to appeal her fine to Campus Police before the charge is forwarded to the Accounting Office.

Access to Apartments

The apartment building main doors will be open for resident and guest access. Exterior doors and interior hall doors will be locked 24-hours a day and can be accessed with an apartment resident's CamCard.

Minor Illness or Injury to Students

During the regular academic year, students with minor

illness or injuries should be referred to the Health Center, 760-8535.

Illness or injury to resident students during hours when the Health Center is closed should be reported to the resident director or resident director on duty. If a resident director cannot be located, notify the campus police department of the student's illness or injury.

Campus Emergency Plan

A comprehensive campus emergency plan is posted on the emergency planning website at www.meredith.edu/emergency-planning/default.htm. The College's Incident Management Team annually reviews campus emergency plans and procedures.

Emergency Notification Systems

Meredith College has several methods of notifying students, faculty and staff in the event of an emergency.

Emergency Notification through Voicemail, Email and Text Messaging

In the spring of 2008, Meredith College launched MC Alert for rapid emergency notification. This system allows Meredith to convey time-sensitive information within minutes, through a single phone call.

With MC Alert, Meredith can schedule, send and track personalized voicemail, email and text messages for all members of their community. These messages are sent via four different modes of communication:

- Voice messages to home, work and/or cell phones
- Text messages to cell phones, PDAs and other text-based devices
- Written messages to e-mail accounts
- Messages to receiving devices for the hearing impaired.

Campus Alarm Warning System

Meredith has a siren warning system that allows the College to issue warnings for incidents involving safety and security issues. This system has both alarm and voice warning capability.

Theft of Personal Property

Students who experience a theft or loss of personal property should alert Campus Police as soon as possible. Meredith is not responsible for the personal property of students. Families are encouraged to make sure that homeowner's insurance policies cover the student's residence hall or apartment property. If a student has evidence that another student is responsible for the theft, she should alert the campus police and solicitor general of the Honor Council.

Snowstorm Safety

Use common sense when enjoying a snowfall, and consider your own safety and that of others.

1. Stay away from windows and doors in the event of high winds and falling limbs.
2. Do not attempt to drive on campus.
3. Listen to the radio or TV regarding the closing of classes or call the Meredith inclement weather number, (919) 832-8878.
4. In case of power failure, see your residence life or apartment staff for instructions.

Fire Emergency Procedures

In case of fire:

If YOU discover the fire:

- Activate the nearest alarm.
- Get out of the building immediately if fire is threatening.
- Alert Campus Police at 8888. Also alert residence director for a residence hall fire or apartment manager for an apartment fire.
- If it is a small fire, use a fire extinguisher.
- If it is a large fire, exit the building.
- Before leaving a room, check the doorknob to see if it is hot. If hot, do not open; go to the window and wait for the firefighters to rescue. Do not try to jump or climb down. (With the door closed, you are not in immediate danger).
- If smoke is beginning to fill the hallway as you evacuate, grab something to help filter the smoke. If you get caught in heavy smoke, crawl to the nearest exit.
- If fire blocks your nearest exit, go immediately to the next closest exit.
- If evacuating a residence hall, meet the resident assistant at the evacuation meeting point; if evacuating the apartment building, meet a staff person outside the building at the designated meeting point.

During a fire drill:

Students

- Close windows.
- Turn off all lights except overhead.
- Close door when leaving.
- Walk rapidly (do not run) out of the building. The first person to reach the door should hold it open for others.
- When evacuating a residence hall, meet the resident assistant at the evacuation meeting place. If evacuating the apartment building, meet a staff person outside the building at the designated meeting point.
- Wait for the signal to return.

Please Note: Students should be aware that it is against the law to activate a fire alarm when there is no fire.

Information for resident students regarding procedures during fire drills or real fires:

Residence Hall Association

Coordinates check of fire alarm equipment with the director of residence life and campus police during the first week of school.

- Designates the date and time for the drill (first drill must be held during the first two weeks of each semester) and announces it at the regular meeting of the Executive Board.
- Explains procedure to the residence hall presidents.
- Informs security, RD on duty, nurse in the Health Center, and dining hall manager (if drill is close to dining hall hours) prior to the fire drill.
- Informs the director of residence life of the fire drill.
- Designates outside evacuation meeting places for each hall to line up in single-file line.

Residence Hall Presidents

- Conduct fire procedures training for resident assistants, fire marshals, and residence directors.
- Locate fire alarms for the residence hall; know how to operate them and check to make sure they are working correctly (check with the Residence Hall Association chair). Check fire extinguishers on each hall of the residence halls periodically to see that they are functional.
- Inform residence director of the date and time of the drill.
- Make sure resident assistants have chosen fire marshal suites.
- Inform the hall of designated outside evacuation meeting place for hall residents to line up in single-file.
- Sound alarm at the designated time and move to designated evacuation meeting place.
- Receive reports from resident assistants.
- Relay any necessary information to residence directors, security and firefighters.
- In a fire drill, at the signal of the Residence Hall Association chair, deactivate the alarm to signal the end of the drill.

Fire Marshal

- Check rooms to make sure all students are out and make note of any locked doors.
- Knock on locked doors and remove their card.
- Close windows and turn off overhead lights in each room.
- Close doors to each room.
- Go directly to the resident assistant and report that all rooms are clear and give her the cards pulled from doors.

Resident Assistants

- Move quickly to the evacuation meeting point.

- Receive reports from fire marshals and account for all students on the hall using hall roster.
- Report to the residence hall president evacuation times and problems (in real fire, i.e., the possibility of students still in building, etc.). Remain at the assigned position until instructed to return to the residence hall.

Residence Hall Association Chair

- Records the time of each residence hall's departure.
- Receives reports from the residence hall presidents regarding evacuation after the fire drill.
- Keeps careful records of all fire drills and forwards copies of these records to the director of residence life.

Apartment Residents

Students residing in on-campus apartments will receive specific fire safety information at check-in.

Fire Alarm System Policies

Students should be aware that it is against the law to activate a fire alarm when there is no fire. It is also against the law to tamper with fire safety equipment.

Fire Drill Policy

Fire drills are held frequently for the safety of all students. Any student who does not leave the residence hall during a fire drill will be subject to a maximum penalty of \$50. Repeated failure to cooperate in the fire drill procedures will result in judicial action.

Hurricane Safety

Unlike a tornado, a hurricane usually allows adequate warning of a strike, and you can adequately prepare to evacuate or secure belongings.

1. Cooperate with staff and Campus Police. They will direct you.
2. Have a battery-operated radio available to listen to for information regarding the storm.
3. Keep windows and doors closed.
4. Unless otherwise instructed, stay inside the residence hall.
5. Move to the first floor if necessary.
6. See your residence hall staff for further instructions.

Tornado Emergency Procedures

Campus police and the dean of students have weather alert radios that emit an audible signal if the national weather bureau has issued a warning for our immediate area. Staff members will sound the alarm for an alert.

A tornado watch means tornados are possible. A tornado warning means that a tornado has been sighted in the warning area.

If a tornado watch is issued, prepare to protect yourself:

1. Keep the radio or TV tuned to weather announcements.
2. Keep a flashlight nearby in case the power goes out.
3. Be alert for changes in the weather.
4. Be prepared to move to a safe shelter.
5. See your residence hall staff for further instructions.

If a tornado warning is issued, or if you see or hear a tornado coming, don't wait:

1. Proceed quickly and quietly to the first floor hall way, a safe area. THEN STAY INSIDE!
2. Make sure all first floor doors are closed for safety.
3. When in a safe area, crouch on your knees, head down, and cover your head with your arms.
4. Stay out of large glassed areas and away from windows.
5. Cooperate and accept direction from staff and campus police.
6. See your residence hall staff for further instructions.

Know these tornado danger signs:

Bad Thunderstorm: thunder, lightning, hard rain, strong winds.

Hail: bullets of ice from a dark, cloudy sky.

Funnel: a dark, spinning rope or column from the sky to the ground.

In the event of a tornado alert, students must follow the following procedures:

- Go immediately to an interior first floor hallway or basement. Avoid areas with wide, free-span roofs such as the gymnasium.
- Close all first floor doors for safety.
- Move as far away from windows and outside doors as possible.
- Take shelter underneath a desk or any heavy furniture available.
- Sit down on the hallway floor with your head between your knees and cover your head with your hands.
- Remain in this position until danger is past.
